Sir:

In response to the Office Action dated January 10, 2003, please amend the application as follows. The attached Appendix presents a marked-up version of the changes made to the claims by the current amendment.

In the Claims:

Following is a complete listing of the claims pending in the application, as amended:

- B1*
1. (Twice Amended) A method for a user at a client system to place an order for an item, the user having a plurality of groups of predefined order fulfillment information, the method comprising:
 - displaying at the client system information identifying the item;
 - displaying at the client system an element representing order fulfillment instructions for the identified item;
